Art. 1

This Regulation was developed based on the following legal provisions:

- Law no. 1/2011 on National Education, with subsequent amendments and completions,
- GEO no. 194/2002, republished;
- GO no. 22/2009, approved by Law no. 1/2010;
- Charter of the “Victor Babeș” University of Medicine and Pharmacy of Timișoara, adopted by the Decision of the University Senate no. 75/12188/16.09.2020.

Art. 2

A person may receive funding from the budget for a single bachelor’s degree program, a single master’s degree program, and a single doctoral program.

Art. 3

(1) For all university study cycles, the amount of the tuition fee is approved annually by the University Senate, through its own admission regulations, and is notified to the students, and master’s degree students/doctoral students before the beginning of the new academic year, within the term stipulated by law.

(2) The amount of tuition fees does not change during an academic year.

(3) The amount of the tuition fee does not change until the end of the university study program, if there are no situations of exceeding the schooling duration as provided by law.

Art. 4

(1) Students enrolled in all university study cycles at the “Victor Babeș” University of Medicine and Pharmacy of Timișoara, as well as doctors enrolled to specialise have the obligation to pay tuition fees under the conditions established by this Regulation, the study contract, as well as the internal regulations of the University.

(2) The study contract regulates the financial obligations of the student, as approved by the University Senate and stipulated in this Regulation, as well as in other own regulations and methodologies. The study contract and addendum to the study contract templates are approved annually by the University Senate prior to the beginning of the academic year, being endorsed for legality and for preventive financial control by the Legal Department of the University and the Financial-Accounting Department.

(3) In case of exceeding the schooling period as provided by law, as a result of repetition, resumption of studies in case of interruption, or re-enrolment after expulsion or withdrawal, a new university study contract is concluded under the conditions established by the University on conclusion of the contract, the amount of the tuition fee being established at the level of the tuition fee related to the year of study in which the student is enrolled.

(4) Students enrolled on non-budgeted places, following an approval for academic mobility or recognition of periods of study conducted in other higher education institutions abroad, will pay the tuition fee provided for the year of study in which they are enrolled.

(5) Students occupying a budgeted place as a result of reclassification will, on request (see Annex 5B), benefit from a refund of the tuition fee paid in advance for the academic year in question. Students who occupy a non-budgeted place as a result of reclassification will pay the fee for the year of study in which they enrol.

(6) The costs related to exceeding the duration of free education, as provided by law, in case of extension of the duration of the doctoral study program by 1-2 years will be borne by the doctoral student.

Art. 5

(1) The amount of tuition fees is established by the University Senate, according to this Regulation, Annex no. 1.

(2) The amount of fees charged for enrolment, re-enrolment, retaking examinations and other forms of verification which exceed the provisions of the curriculum and for activities not included in the curriculum, as well as other fees, is established by the University Senate, according to this Regulation, Annex no. 2.

(3) The debits regarding the tuition fees in foreign currency will be recorded in the accounting at the reference EUR/leu exchange rate from 1 August of the current year, valid until 31 July of the following year.

(4) Romanian students benefit, upon request, from the following special reductions of the fees with the approval of the Legal Department, the Dean of the Faculty and the Rector of the University, as follows:

- 75% discount on all fees provided in Annexes no. 1 and 2 of this Regulation for students orphaned by **both parents, until the age of 26**;
- 50% discount on all fees provided in Annexes no. 1 and 2 of this Regulation for students orphaned by **a parent, until the age of 26**;

(5) Applications for fee discounts (Annexes no. 3 and 4) will be submitted to the secretary's offices of the faculties in the first month of the academic year, accompanied by the following documents:

- Copy of the ID card, showing they are domiciled in Romania;
- Copy of the birth certificate;
- Copy of the parent's/parents' death certificate.

Art. 6

(1) For all university study cycles, in **the first year of study** (upon enrolment), the tuition fee is paid in full.

(2) Starting with the second year of studies, for **all** university study cycles, students may pay the tuition fee **in full or in two equal instalments within 30 days** from the beginning of the academic year, and from the beginning of the 2nd semester, respectively (for students who pay the tuition fee in two equal instalments).

Art. 7

(1) After the expiration of the 30-day term provided by this Regulation for the payment of tuition fees, based on the accounting records, for students enrolled in years II-VI of studies, UMFVBT will apply **penalties of 0.1% for each calendar day of delay related to the amount due, for a period of 60 calendar days from the due date.**

(2) After the expiration of the **90 days**, UMFVBT has the right to expel students, master students and doctoral students who cannot prove the payment of the tuition fee within the term established in this Regulation.

(3) The re-enrolment is made in the following academic year, with the payment of the tuition fees related to the study year of re-enrolment and the payment of a re-enrolment fee.

(4) In case of expulsion of students, master students and doctoral students, the University is entitled to recover the debts accumulated by the student until the date of expulsion and/or material damages.

Art. 8

(1) The payment of tuition fees established in lei will be made:

- a. at the University cashier's office;
- b. by bank transfer to the University's account opened at TREZORERIA TIMIȘOARA (TIMIȘOARA TREASURY): RO21TREZ62120F330500XXXX, Tax ID Code: 4269215, specifying: "*tuition fee – last and first name of the student, Personal ID number (CNP), year of study, study program*";
- c. online, using a card.

(2) The payment of tuition fees related to the first year of studies is paid under the conditions set out in the admission regulation/methodology.

(3) The payment of tuition fees established in foreign currency, namely for students enrolled in study programs with teaching in foreign languages, as well as for students from third countries who are not members of the European Union, the European Economic Area or the Swiss Confederation, will be made either by bank transfer to the University's account: RO53BTRL03604202A6896600, opened at Banca TRANSILVANIA SA, Baroc Agency, Str. Palanca nr. 2, Piața Unirii, SWIFT/BIC Code: BTRLRO22TMA, specifying: "*tuition fee – last and first name of the student, year of study, Faculty/study program*", or online, using a card.

Art. 9

(1) The tuition fee for the complementary year is paid in proportion to the number of outstanding credits, but not more than the equivalent value of 60 credits corresponding to the tuition fee related to the study year in which the student registers. Outstanding credits means all outstanding credits within the cycle not passed on the date of registration in the complementary year.

(2) At the resumption of studies, the tuition fee for students registering in the complementary year and those who have interrupted their studies is paid at the level of the tuition fee for the year in which the student registers, in accordance with the new contract.

(3) The provisions of par. (1) do not apply to foreign students, non-EU citizens, who study on their own, the tuition fee related to the complementary year being at the level of the fee of the study year in which the student registers, in the amount established by the University Senate in this Regulation.

(4) If foreign students, non-EU citizens, scholars of the Romanian state, repeat a year of study, they must pay the tuition fee in foreign currency corresponding to the year of study they repeat.

(5) If Romanian students from all over the world, scholars of the Romanian state, repeat a year of study, they must pay the tuition fee in lei corresponding to the year of study they repeat, under the same conditions as Romanian citizens.

Art.10

(1) Repeaters who have not obtained the number of credits necessary to pass the year of study for medical reasons will attend the complementary year without financial obligations, if they have paid in full the tuition fee in the year of interruption of studies for medical reasons.

(2) In this case, students will submit medical documents which will be analysed and approved by the Medical Committee of the University, approved by the Dean of the Faculty where the student is enrolled, and approved by the Board of Directors of the University, according to the provisions of the Regulation on the organisation and conduct of the professional activity of bachelor's degree students.

Art. 11

In order to sit for examinations for disciplines with outstanding/difference transferable credits (where applicable), the students will pay the fee established by the University Senate under this Regulation.

Art. 12

(1) Students who, in the complementary year, request credits in advance will pay the tuition fee of the complementary year, in full.

(2) The obtaining of credits in advance for a year of studies is not followed by the decrease of the tuition fee related to that year.

Art. 13

(1) The student requesting the withdrawal/interruption of university studies has the obligation to pay the tuition fee in full for the current year.

- (2) In case of withdrawal, interruption of university studies or expulsion, the tuition fee paid for the current year will not be refunded.
- (3) In the case of students enrolled in the first year who have signed the study contract, but who withdraw from/interrupt their university studies, before the issuance of the enrolment decision, the tuition fee is refunded, at the written request of the student, with the approval of the Rector.
- (4) For the refund of the tuition fee, the student will submit an application according to Annex no. 5A or 5B of this Regulation to the University Registry. After the approval of the application by the Rector of the University, the Financial-Accounting Department will reimburse the tuition fee within 30 days from the date of registration of the application.
- (5) In case of expulsion, except for situations of expulsion for non-enrolment, the tuition fee paid for the current year will not be refunded.
- (6) Doctoral students will not be reimbursed the fees paid in case of withdrawal from studies, expulsion or mobility to other institutions organising doctoral studies.

Art. 14

- (1) The „Victor Babeș” University of Medicine and Pharmacy of Timișoara charges from the candidates, in accordance with the legal provisions in force, registration fees for the organisation and conduct of the admission, in the amounts approved by the University Senate, through its own admission methodology.
- (2) Exemption from payment of these registration fees for the admission competitions or their reduction is approved by the University Senate, under this Regulation and own admission methodology, for:
- a. candidates up to the age of 26, orphaned by both parents;
 - b. candidates up to the age of 26, orphaned by both or one of the parents who worked in the education system;
 - c. candidates up to the age of 26 from orphanages or foster care;
 - d. children of teaching and auxiliary teaching staff who are active or retired from the education system, up to the age of 26;
 - e. children of the staff employed in „Victor Babeș” University of Medicine and Pharmacy of Timișoara, up to the age of 26;
 - f. other special cases, with the approval of the faculty admission committee.

Art. 15

Upon admission to the “Victor Babeș” University of Medicine and Pharmacy of Timișoara, for each university studies cycle and program, the same conditions provided by law for Romanian citizens will apply to the citizens of the Member States of the European Union, of the states belonging to the European Economic Area, and of the Swiss Confederation, including in terms of tuition fees.

Art. 16

Graduates sitting for the final examination in sessions subsequent to those organised for their class will bear the related expenses in the amount established by the University Senate under this Regulation.

Art. 17

- (1) This Regulation was approved in the meeting of the University Senate dated 30.06.2021.
- (2) As of the date of this document, the Regulation on the amount of tuition fees and other fees within the “Victor Babeș” University of Medicine and Pharmacy of Timișoara, approved and republished by Senate Decision no. 19/6022/27.05.2020, is repelled.

Rector,
Prof. Octavian Marius Crețu, MD, PhD.
